Yolo County contacted the Grand Jury, Party Central Committees, local newspapers and ACLU advising them of the opportunity to be election day observers.

Only the ACLU of King Hall School of Law at UC Davis expressed an interest.

County Clerk met with ACLU of King Hall.

ACLU observers have been provided with "Poll Watcher Rules," similar to those recommended by SOS.

All observers were invited to attend poll worker training classes; several have done so.

Poll workers have been informed of observer activities and educated regarding poll worker and poll watcher rules.

Letters of introduction will be prepared for observers when we receive the appropriate contact information.

ACLU observers are developing their own checklists.

Warmest regards,  
Freddie Oakley
